

Why Are So Many Things Coming Upon Us?

Wake up America, unrestricted warfare is coming! Watch China!
God says: "I'll bring a nation that comes...from the end of the earth against you!"
Fred R. Coulter—January 4, 2025

This week has been a tumultuous week, so we need to ask: Why so many problems?

Let's look at what God said at first. If people would have followed this from the beginning, we wouldn't be where we are today. But since God has given free moral agency and He wants us to choose, *He set before us life and death, blessing and cursing.* That's noted in Gen., the first part of the Bible.

Let's look at just a couple of simple things that would keep us out of a whole lot of trouble. God wants free moral agency; He doesn't want robots.

Now today, men are all excited with A.I. and robots. Turn off the electricity and it's over.

Gen. 1—We need to have this because, as we will see, *the religious leaders are the ones who are creators of the problems today!* The first basic statement of God, which tells us:

- who made us
- why we're here
- gives us some preliminary instructions on what we are to do

Genesis 1:26: "And God said, 'Let Us make man in Our image, after Our likeness...'"

We have a book that is called *From a Speck of Dust to a Son of God: Why Were You Born?* because the Bible tells us the dust you are and dust you're going to return to, and that's just the way that it is. The only One Who has overcome that has been Christ.

"...and let them have dominion over the fish of the sea and over the fowl of heaven and over the livestock and over all the earth and over every creeping thing that crawls upon the earth" (v 26).

- Have we had dominion over everything? *Yes, we have!*
- How has that turned out?

Just like God said, combination of good and evil! But evil always overcomes and prevails *because there's also Satan the devil!*

Verse 27: "And God created man in His own image, in the image of God He created him. He created them male and female."

Everything about our bodies has to do with *how God made us!* Every cell in our being and sub-cells and everything else have our genetic, as we know today, chromosomes for men and for women.

Down through time, there have been those men who wanted to become women and women who wanted to become men and it never worked out.

Notice how we started out and everyone wants this. They don't want the difficulties and problems that we have today. But let's see how it started:

Verse 28: "And God blessed them. And God said to them, 'Be fruitful and multiply, and replenish the earth, and subdue it; and have dominion over the fish of the sea and over the fowl of heaven and over every living thing that moves upon the earth.'"

Now then, He says he made all of the plants to reproduce themselves. That's a big lesson that God wants us to learn.

What we have right here in Gen. 1 are what you would call overall definitions of the goal of God and human beings. The rest of the Bible fills us in on the details, how we came to where we are today and how we go to where we need to be in the future.

Let's look at the first Law given to Adam and Eve.

Genesis 2:1: "Thus the heavens and the earth were finished, and all the host of them. And by *the beginning* of the seventh day God finished His work, which He had made. And He rested on the seventh day from all His work, which He had made" (vs 1-2).

Now, the seventh day is in creation, Gen. 1:14, as well as the Holy Days. So bottom line, *if anyone wants to change the day of worship, they must change the creation of God*, because He's not going to change it. So, this is *the first Law, the Sabbath!*

Verse 3: "And God blessed the seventh day and sanctified it... [made it Holy by His presence with Adam and Eve right in front of Him] ...because on it He rested from all His work, which God had created and made."

Now then, let's look at the first couple of commands. The first command was after God had created the Garden of Eden. He told Adam, 'You are to dress it and keep it; you're to work.'

Now then. we come to God creating Eve. He says, 'It's not good for a man to be alone, so He made a helpmate.'

Why Are So Many Things Coming Upon Us?

Now let's look at the next commandment that God gave:

Verse 22: "Then the LORD God made the rib (which He had taken out of the man) into a woman, and He brought her to the man. And Adam said, 'This *is* now bone of my bones and flesh of my flesh. *She* shall be called Woman because *she* was taken out of Man'" (vs 22-23).

Here is the command, and I want you to stop and think of how many problems would be automatically solved in the world with this one commandment right here; *automatically solved!* Because all the Laws of God and everything that God has done and made are automatic and they work without Him having to do anything because He put the process in motion in what He created.

Verse 24: "**For this reason** ... [that comes with every commandment] ...**shall a man leave his father and his mother**... [they knew there would be other men, women, children] ...**and shall** cleave to his wife, and they shall become one flesh."

Think about that! If today all men and all women

- believed God,
- followed God
- kept His Commandments

*And this particular one right here, **husband and wife!***

Because, as we will see, one of the key things of going against God is that it comes to all kinds of licentious sex. That's a problem and a difficulty that comes with it, and we have all the difficulties that come upon us.

So let's look in Lev. 18 and let's see some of the things because after the fall and after all of that, then we have the Commandments given by God and what to do and what not to do, and what He told the children of Israel how He would be with them, before them, etc.

He also told then another very specific thing; He said that *He would fight for them* against whatever enemies there were ***IF they would obey Him!*** We know from the history in the Bible *when they didn't obey God*, and they went out to war—even in the name of God and with the Ark of God that God gave to Israel—***they lost!*** *Many troubles ensued after that, but we won't get into it!*

If just the commands right here that we're going to look at in Lev. 18-20 (we're not going to go through it word for word) if these commands were kept, think of how many problems would be solved.

Like today, we all want freedom, but you cannot have total freedom without God's Laws. Look at what it's led to.

I've got this article that I showed to you before I'll show it again: ***Transgender Pastor Claims Bible Wasn't Written for 2024.***

So, we will see a little later, who God holds primarily responsible, and secondarily and right on down to us.

Here's what God said to the children of Israel, which follows right along with that very first command: 'a man shall leave his father and mother and cleave unto his wife and they two shall become one flesh.' That's an overall universal command For all people everywhere on the face of the earth—***period!***

There are Laws that God gave, which even if the people do not know about those Laws, they still function against them. Here's what he told the children of Israel:

Leviticus 18:1: "And the LORD spoke to Moses, saying..."

Don't anyone come and say that 'this was written by Moses and he designed all of this himself.' Moses was a spokesman for God, and he spoke the words that God said to speak.

Sidebar: What if you do something that God said don't do. Remember the two sons of Aaron? God said with the fire, 'I started the fire. It is to be kept burning for all sacrifices, so everyone would know that this fire was from Me.

So what did they do? *They let it go out!* They said., 'Oh well, we'll get some wood and start a new fire. So they did and ZAP! *God struck him dead!*

You don't disobey God and defy God and take your own devices to try and correct the problem. Lesson right from that for many different things.

Verse 2: "Speak to the children of Israel and say to them, 'I *am* the LORD your God. As they do in the land of Egypt where you dwelt, you shall not do. And you shall not do as they do in the land of Canaan, where I am bringing you. Neither shall you walk in their ordinances. You shall do My judgments and keep My ordinances, and walk in them. I *am* the LORD your God'" (vs 2-4). *So, God is saying now look here is the way of life that you are to live!* People want to know:

- What do I do?
- How do I live?

A baby is born into the world—if it bypasses abortion—what does it know? ***Nothing!*** God

Why Are So Many Things Coming Upon Us?

intended mother and father to teach the children, etc., etc.!

He gave the commands here, but we won't get into that right now. But this is the way of life.

Verse 5: "And you shall keep My statutes and My judgments, which if a man does, he shall live in them. I *am* the LORD."

A great mistake of Protestantism is saying the Law is abolish and you don't have to keep it. The truth is **IF** you keep the Laws of God *you receive blessings!*

- **IF** you don't keep the Laws of God, then *you receive punishment*
- **IF** that doesn't correct you, *then you receive curses*
- **IF** that doesn't correct you, *then you receive death*
 - on an individual basis
 - on a family basis
 - on a community basis
 - on a national basis
 - on a worldwide basis

as we have today!

Then it says all the Laws concerning incest; father, mother, daughter, son!

Verse 22 is the problem we have today. Now, a lot of people think that the Laws of God in the Old Testament are harsh. ***The Law itself is love; the punishment is harsh!*** Here's a fundamental command that is violated by the hundreds of thousands if not millions in the world:

Verse 22: "You shall not lie with mankind as with womankind. It is an abomination *to God*."

Some idiots in examining the Bible say, 'It's not a sin, it's an abomination.' Well, for your information, ***an abomination is an absolute heinous sin!*** Worse than a just transgression. Then it says:

Verse: 23: "And you shall not lie with any animal to **defile yourself** with it..." *Don't do that!*

Verse 24: "Do not defile yourselves in any of these things, for in all these the nations, which I cast out before you, are defiled."

What is God saying here? *This judgment carries over to every nation and every people!* When you have homosexuality and sins come along that defy:

- husband and wife
- family and children
- teaching of God's way

you are kicked out of the land. Destroyed and don't exist!

Verse 25: "And the land is defiled. Therefore, I visit its wickedness against it, and the land itself vomits out those who live in it." *Everything happens:*

- drought
- no water
- crops fail
- everything goes wrong

That's what happens!

Verse 26: "You shall, therefore, keep My statutes and My judgments, and shall not commit *any* of these abominations, *neither* the native, nor any stranger that lives among you; for the men of the land who *were* before you have done all these abominations, and the land is defiled. *You shall not do these* so that the land may not spew you out also when you defile it, as it spewed out the nations that *were* before you" (vs 26-28).

So, God raises up nations and takes them down. How close have we recently come to really suffering the tremendous penalties of God? *Very close!*

Maybe there are enough people that God is going to hold back. We'll see for a little bit, but there is still the great sin that is yet to be judged against us, which will be coming. I'll cover that in a bit.

Lev. 19—Let's see how important that this becomes and how this ties in with what Gen. 2; right here:

Leviticus 19:1: "And the LORD spoke to Moses, saying, 'Speak to all the congregation of the children of Israel and say to them, "**You shall be Holy**, for I the LORD your God *am* Holy"' (v 1-2).

What does that mean? *That means you keep the commandments of God because:*

- they're Holy commandments
- they're Holy judgment
- they're Holy statutes
- they're Holy precepts

If you don't believe it read out Psa. 119.

Verse 3: "You shall each man **revere his mother and his father, and keep My Sabbaths**..."

There you go, Commandments 4 and 5. ***But notice He put mother and father first*** for children. So, there are times when God does not keep the Ten Commandments in straight chronological order. He does in Exo. 20 and Deut. 5. Then He emphasizes this:

"...**I [God] am the LORD your God.** Do not turn to idols, nor make molten gods to

yourselves.... [2nd Commandment] ...**I am the LORD your God**" (vs 3-4).

Then it talks about sacrificing peace offering and so forth.

Verse 29—*let's see what we have today:* "You shall not prostitute your daughter to cause her to be a whore..."

That's what we've done in America under the guise of freedom! You can do anything you want! Well, that's true, you can do anything you want, **but:**

- How do you want your life to turn out?
- Why do we have so much mental disease, spiritual disease, physical disease?

"...**lest the land fall to whoredom**..." (v 29).

That's what we have today. ***That is the great sin!*** Now there are some few religious leaders speaking against it:

There's even one school superintendent in the state of Oklahoma who says that they will read the Bible in the schools. *That's a good thing!* Now, notice what happens:

"...**and the land become full of wickedness**" (v 29).

- Do we have that today?
- What sort of things are we facing?

Notice what He follows up with again, and how this ties in with Gen. 2 & 3.

Verse 30: "You shall keep My Sabbaths and revere My sanctuary. I am the LORD."

Lev. 20 tells the penalty that they were to inflict upon those who sinned the sins that we have just covered. Today they say, 'Oh, well that'll be harsh. You know, these two homosexuals love each other, and they're nice people.' So, we tolerate them.

Then they seduce more and more and more, and what do you have? Look at San Francisco. Started in New York, came to Los Angeles and San Francisco. Now it's everywhere.

All expecting the blessings of God, because 'we have free moral agency and we're going to do what we want to do.'

How do you solve the problem of unwanted pregnancies? That's why God says: "A man shall leave his father and mother and cleave to his wife, and his wife is to cleave to him." Together they bring children in the world, which are the combined flesh of mother and father, the genes from both.

That all goes back to Adam and Eve, because all the genes were put in Adam and Eve at

the time they were created, and carries right on down to today. It's like it says in Psa. 139 about what God is doing in the womb. ***He is forming a new human being!***

If you go to Jer. 1, God says to Jeremiah, '***I knew you before you were formed,***' which means that God knew that Jeremiah would be the Prophet He would choose ***at the instant of conception!***

At the instant of conception—regardless of how it comes about—***that new life receives the spirit of man from God,*** because God determined that's what he would do at that point.

Now then today, and this has been a problem. There has been fights back and forth and in the court and out of the court and so forth concerning abortion. When Roe vs Wade was overturned, a lot of people got real excited and said, 'Oh, what a great thing. We overturn Roe vs Wade.' No, you didn't, you just transferred it to the states! What have the states done?

- there are a couple of states that don't want abortions
- there are many states that want a lot of abortions
- there are a few states that will have any abortions even to murder after birth

It's murder from conception!

Abortions: As of early 2024, the United States has seen an increase in the number of abortions—The Society of Family Planning. {<https://societyfp.org/research/wecount/>}

They say the report indicates from January to June, 2024, the monthly average of abortions was nearly—guess how many it was in a month.

Today, with the thing that took place in New Orleans, everybody is saying, 'Oh, what a terrible thing.' ***It was!*** People got killed. ***But:***

- How many abortions were performed on that very same day?
- Did anybody speak up for the innocent ones slaughtered? *No!*

The average monthly abortion was nearly 98,000! That's ***over 3,000 abortions a day in America!*** Up from 88,000 in 2023 and 81,000 in 2022. Globally, the World Health Organization estimates that approximately ***73-million induced abortions occurred each year.*** So you add it all up and the slaughter is 200,000 a day.

Then we have the problem of *illegal immigration*. Do you know why we have it? ***Because of abortion.*** We have it because ***God punishes us!***

There are some people trying to reduce it, but are they going to get rid of it? **Never!**

Deut. 28—we've been here before and let's look at it and let's see what we have, which is automatic. It's happened in the past:

- Were the ten tribes of Israel were cast out of their inheritance in the Middle East? *Yes!*
- Were the Jews cast out twice? *Yes!*

The second time—after rejecting the Messiah and saying, 'Let His blood be on us and our children, they have been the most hated and victimized people on the face of the earth because it came out of their own mouth.'

So, if any Jew is listening, *think on that!* Don't blame the one who persecutes you, *blame those who rejected Jesus when he was here* and said, *let His blood be on us and on our children!*

What do you do? *You need to come to God and repent like everybody else!*

Let's read what God says. The first part of Deut. 28 talks all about the blessing. Everyone wants the blessing, the blessing of this, the blessing of that; they want it everywhere. But we find that when we go against God, *the blessings turn into punishments or curses!* Then as that gets multiplied, here's what happens:

Deuteronomy 28:43: "The stranger *dwelling* among you shall get up above you very high, and you shall come down very low." *The election of Donald Trump slowed that down!*

- Can they deport all of them? *Probably not!*
 - What are you going to do?
 - How do you stop that problem? *It would be a big job!*
1. cancel all funds to Planned Parenthood with their temples to slaughter
 2. outlaw all abortions
 3. teach the Laws of God everywhere

In government, in schools, in homes, in churches!

- Will they do that?
- You think they will?

All those abortions:

- 200,000 a day in the world
- 88,000 a month in America

We tell them to have all the sex you want and 'we'll take care of it.' *That never works!* Has it worked from the first command in Gen. 2 that 'a man shall leave his father and mother and cleave to his wife'?

Verse 43: "The stranger *dwelling* among you shall get up above you very high, and you shall

come down very low. He shall loan to you, and you shall not loan to him...." (vs 43-44)

We're on the verge of losing everything with a dollar. We don't know if Trump can delay it, forestall it, or change it. But sooner or later, all of the deficit spending going to catch up with us, and it's going to affect everybody in the world including everybody in America. ***It's coming!***

"...He shall be the head, and you shall be the tail. And all these curses shall come on you... [everyone listed in the verses before this] ...and shall pursue you and overtake you, until you are destroyed **because**...(vs 44-45). *Here's why:*

The Laws of God *work automatically!* There's no way around it. Doesn't make a bit of difference. If a minister gets in a pulpit and says sweet nothings and lies, *he knows better!*

"...overtake you, until you are destroyed **because you did not obey the voice of the LORD your God...**" (v 45).

Since God *is God*, every word that He says is true. Now, there are times when you emphasize certain words and certain things, *but that doesn't exclude anything that God has said!*

"...**did not obey the voice of the LORD your God to keep His commandments...**" (v 45).

Now, for all of you who are hardcore evangelicals, and do not believe in keeping the Commandments of God, go get your Bible and read 1-John, 2-John, and 3-John.

The one apostle that it says 'Jesus loved'—John—explains about *love and commandment-keeping* to get there. So those of you who keep Sunday, you are also part of the big problem that's happening in America. I'll talk about the ministers here in a little bit.

"...**because you did not obey the voice of the LORD your God to keep His commandments** and His statutes, which He commanded you" (v 45).

- for your good
- for your blessing
- so that you would have peace
- so that you would have health
- so that you could have wealth
- so that you could have children
- so that you could enjoy them
- so you could have a life that would be worth living

That's why God gave the commandments! But:

- you hate the Sabbath
- you hate His Holy Days

but:

- you love Sunday
- you love all of your holidays

which comes from the cauldron of Satan the devil, but:

- you have so much fun

Does Satan want you to be happy in sin? *Oh, yes, as much as possible until the punishment of God comes upon you and there's no other recourse!* Think about that. Don't think anybody can get away from it!

Verse 46: "And they shall be on you for a sign and for a wonder, and on your seed forever."

It was on the nations that were there that God kicked out of the Middle East to put in Israel and Judah. It applies to everyone. We will see that, today, that is much more abundantly so than ever before. *Here's the reason!:*

Verse 47: "Because you did not serve the LORD your God with joyfulness and with gladness of heart for the abundance of all *things*."

Has this nation had the abundance of all things? *Yes, we have!* But look at what we have turned out.

- millions of homeless
- millions of drug addicts
- millions of abortions
- ✓ Don't you think those sins rise to heaven?
- ✓ Don't you think God's hand is upon us?

There have been some who have turned back from the worst of them, so God honors that.

- Why not come back to God all the way?
- Why come back to God just enough and flatter Him so that the pressure of these trials are relieved from you?

That's not the answer! Now, let's read on and see what He says:

Verse 47: "Because you did not serve the LORD your God with joyfulness and with gladness of heart for the abundance of all *things*, therefore, you shall serve your enemies, **which the LORD shall send against you** in hunger, and in thirst, and in nakedness, and in the want of all *things*. And he shall put a yoke of iron on your neck until he has destroyed you. **The LORD shall bring a nation against you from afar**, from the end of the earth as the eagle flies..." (vs 47-49).

That's not the Assyrian, because the Assyrian was always a neighbor north. Babylon was a neighbor east, not from the end of the earth. Today, that's China.

"...a nation whose language you shall not understand" (v 49).

How many here understand Chinese? I know a little German, I know some Greek, I know English. **But I don't know Chinese!** I look at their lettering and what they write, and I don't have a clue as to how they understand that. Right there it says, "...**you shall not understand.**"

Verse 50: "A nation fierce of countenance who shall not regard the person of the old, nor show favor to the young."

Then it gets on into the siege that's going to happen, where then cannibalism takes place. It's happened in the past.

Now, what I suggest you do, when you're watching television, go watch the program *Unearthed*, which is put out by NatGeo and American History Channel. They show all the archaeological digs *of Egypt*: Where are they? *They're gone!*

- The Aztec, the Inca, where are they?
- Countries of the Middle East?

One of the greatest civilizations in the Orient was in Cambodia with the temple and the city of Angkor, the greatest temple ever built by human beings. What happened?

- because of sin
- because of going against the Laws of God
- because God judges all the nations

Every one of these civilizations have failed because of:

- sin
- abortion
- child sacrifice

What do you think abortion is today? *Child sacrifice of a creation of God!*

You will all suffer the penalty from it, and it's going to be coming from so many sources on so many things that no physical hand is going to be able to hold it back. In the long run, not even Donald Trump.

(break@43:14)

Let's see why all of these things have come upon us. And it's not as simple, one step thing, you do this, and everything is going to be solved.

Let's see what Jeremiah says, and let me remind you this: Please read all the prophecies in Ezek. 7 thru 23.

There are going to be descriptions of utter destruction, and here's the reason why—Jer. 6—here's what we have: We haven't quite reached the

Why Are So Many Things Coming Upon Us?

fullness of this, yet; but we have come pretty close during Biden's time in the White House.

Jeremiah 6:13: "For everyone from the least of them even to the greatest of them is greedy for gain... [Who's Biden going to pardon next?] ...and from the prophet even unto the priest **everyone deals falsely.**"

God holds those who have the Word of God in their hand more culpable than anybody else.

Verse 14: "They have also healed the hurt of the daughter of My people slightly, saying, 'Peace, peace,' when *there is* no peace."

Look at what we're sitting on today; the verge of all kinds of war. Now, Trump may be able to bring a little peace for a little while, *but you can't contain the rage of the enemy, that God has raised up **because of the sins of the people!***

The way you get rid of the enemy, in addition to fighting him, **you come back to God, His way.** You don't come back to God *your* way. That's what Protestantism, Catholicism and Judaism is all about. *The ways and philosophies of men with a mixture of Scripture in between to sound authentic, but they lie.*

Verse 15: "Were they ashamed when they had committed abomination?"

- Didn't we read what those abominations were?
- What's the greatest abomination that they're doing today on little children? *Sex change operations!*

The most heinous, satanic, evil thing possible!

I hope that *at the minimum*, they stop that. Then they stop 'kiddie porn,' because you can't have unbridled freedom on the Internet that anything you can say, declare anything, and you can't stop it, *because of freedom of speech!*

All the framers of the Constitution knew you can't have freedom of speech and assembly without morality based on the Word of God. They said that if you don't have that, the Constitution is worthless. Where are we today? *Pretty close!*

"...No, they were not at all ashamed, nor could they blush; therefore, they shall fall among those who fall. At the time *that* I punish them, they shall be cast down,' says the LORD" (v 15). ***God is going to do it!***

Remember this: God is not way off out there someplace. He's so aware of what's going on that Jesus Himself said that 'God knows when a sparrow falls.' Now, think about that.

- Is there any place anyone's going to run and hide from God?
- Is there anyone who's going to say God doesn't exist?

If God does not exist, then you do away with evil, because you don't want to do the good. There we have it.

Verse 16: "Thus says the LORD, 'Stand in the ways and see, and ask for the old paths where the good way *is* and walk in it, and you shall find rest for your souls. But they said, "**We will not walk in it.**"

Quite a thing! That in the days of Jeremiah, what were they saying? *The law has been done away!* That's happened in every generation against God.

Stop and think! Go back in history. What happened at the Tower of Babel? *Three hundred years after the Flood, they had learned nothing from the Flood*, so they said, 'we're going to build us a tower and go to heaven.'

Elon Musk, you better read that chapter because all of what you're doing is nothing but 'kiddy car' and 'tiddlywink's' **compared to what God is going to do!**

All of you who say, 'Well, we're going to colonize Mars.' How idiotic and stupid are you? Are you going to go up there and create an atmosphere around Mars? **No, because you didn't make it!** Who made it? *God did!*

"...and ask for the old paths where the good way *is* and walk in it, and you shall find rest for your souls. But they said, "**We will not walk in it**" (v 16).

What do they say today? *Christ has done away with the laws and commandments of God! We don't have to keep them, but be good people anyway!*

The greatest definition of being good people is contained in the Ten Commandments and the Word of God. If you have a hard time dealing with God, then just read the book of Proverbs and see what you'll learn!

Verse 17: "Also, I set watchmen over you, *saying*, 'Hearken to the sound of the ram's horn.' But they said, "**We will not hearken.**" Therefore, hear, you nations, and know, O congregation..." (vs 17-18).

That's speaking to the children of Israel today, those in the Church. A lot of people, remember, we were told we're going to go to a place of safety in 1972, because Christ is coming in 1975.

Hello! What year is it today? 2025! That's a long time, 50 years later!

“...what *will happen* to them? **Hear, O earth...**” (vs 18-19).

- Are you going to make the earth go away?
- What did Jesus say about His words? *‘Heaven and earth shall pass away, but My Words shall **never** pass away!’*
- Who was the Lord God of the Old Testament? *Jesus Christ!*
- Who said these words? *Jesus Christ, before He became the Son of God, born of the virgin Mary!*

He also said:

- don't think I've come to abolish the Law or the Prophets
- I did not come to abolish, but to fulfill
- until heaven and earth pass, not one jot or one tittle shall be removed from the Law

We are where we are today **because of the religious leaders and political leaders**, and lawlessness raging in the land!

Verse 19: “Hear, O earth, behold, I will bring evil on this people, even the fruit of their thoughts...”

People don't like to be told that ‘the human heart is deceitful above all things.’ You don't think so? *Ask yourself this:*

- When was the last time you told a lie?
- When was the last time you were living a lie?
- When was the last time you told your children a lie?

Well, you just did if you kept Christmas and told them Santa Claus is coming!

Then it says of the human heart, not only ‘deceitful above all things, but desperately wicked, who can know it?’ ***That's the Word of God!***

“...even the fruit of their thoughts, **because they have not hearkened to My words, nor to My Law, but have rejected it**” (v 19). *They like to play religion; that's what they do!*

Now, let's look at the evil that is confronting us today through China. How many warfare fronts do you think we are facing from China? Remember what we read, ***I'll bring a nation that comes from where the eagle flies from the end of the earth against you!***

Book: ***Unrestricted Warfare: China's Master Plan to Destroy America***—
Coauthored by Major General Qiao Liang
and Wang Xiangsui

Guess how many there are? *Thirty!*

1. military
 2. trans-military
 3. non-military
 4. atomic warfare
 5. diplomatic warfare
 6. financial warfare
 7. conventional warfare
 8. network warfare
- Ever heard of TikTok?*
9. trade warfare
 10. biochemical warfare
 11. intelligence warfare
 12. resources warfare
 13. ecological warfare
 14. psychological warfare

All of these things are going on all of the time! So you come after the Chinese over here at this point, and they come around over here at this point. They have 30 entrances into destroying this nation.

- Who is raising them up? *God!*
- What is the ultimate punishment of the Chinese? *The armies of 200 million is in the book of Revelation!*

They are going to be slaughtered at Armageddon until ‘the blood runs deep as the horses bridle.’

15. psychological warfare
16. economic warfare
17. space warfare
18. tactical warfare
19. regulatory warfare
20. electronic warfare
21. smuggling warfare
22. sanction warfare
23. guerrilla warfare
24. drug warfare
25. media warfare

You ever watch all the channels on television?

- nothing to behold but sin and evil
 - nothing to behold but sin and stupidity in most cases
26. terrorist warfare
 27. virtual warfare
 28. deterrent
 29. ideological warfare

Any of the above types of methods of operation can be combined with another of the above methods of operation *to form a completely new method of operation!*

Regardless of whether it's intentional or unintentional, the carrying out of combined methods of operation using different methods of operation that go beyond domains, categories have already

Why Are So Many Things Coming Upon Us?

been applied by many nations in the practice of warfare. *Let's add some more to it:*

- corruption warfare; corrupt the children
- abortion warfare

Now the Chinese have learned that you can't have all the abortions that they have had to try and control their population, because now they've got a lot of old people and they may end up with a whole lot of dying in their country, because they had so many abortions to try and control the population.

So, they sit on the brink that God could punish them for what they have done as well as punish us.

30. spiritual warfare; religious warfare

Total altogether: 30! Wake up America, unrestricted warfare!

- Who is responsible?
- What is the degree of responsibility that befalls them?

Ezek. 7:21—God says this; I want you to think about this. It is happening to a pretty good degree right now, but it's going to happen even more.

Ezekiel 7:21: "And I will give it into the hands of the strangers for a prize, and to the wicked of the earth for a spoil; and they shall defile it." *That's talking about the land of Israel!*

Verse 22: "I will also turn My face from them, and they shall pollute My secret *place*; and robbers shall enter into it and defile it."

Doesn't that sound like the kind of warfare I just read here? *Every phase of life!*

Verse 23: "Make a chain; for the land is full of bloody crimes, and the city is full of violence." *Think about what happened just this week:*

- the burning of a woman in a subway in NYC.
- the killing of 14 in New Orleans.

'Oh, that's a horrible thing; he took a truck and ran them down.' *It is!*

But how many abortions were performed that very day, which cut apart a developing human life because of the licentiousness of the men and women involved. That's why I started out where I did: *A man shall leave his father and mother and cleave to his wife, and they two shall become one flesh!*

Verse 24: "And **I will bring the worst of the heathen, and they shall possess their houses....**" *Think about that for a minute! Look at all the houses that we have:*

- How many of them have mortgages?
- Who ends up holding the mortgage paper?

The majority of them are purchased by the Chinese!

So, when the economic crash comes, the knock is going to be on the door, *and the Chinese are going to take over your house!*

Think about California. Why is it that California, Oregon, and Washington are so vulnerable? Are so given over to sin? ***Because those are the closest states to China! Think about that!***

"...I will also make the pomp of the strong to cease; and their Holy places shall be defiled. **Terror comes; and they shall seek peace, but there shall be none. Disaster shall come upon disaster, and rumor shall be upon rumor.** And they shall seek a vision from the prophet; but the law shall perish from the priest, and wisdom from the elders" (vs 24-26).

I just read it, the headline there: *The Bible wasn't made for 2024, all of us perverts know more than anybody else!* What's going to happen when you're old and weak and you have no kids?

Verse 27: The king shall mourn, and the prince shall be clothed with despair, and the hands of the people of the land shall tremble. **I will do to them according to their way, and according to their uncleanness I will judge them; and they shall know that I am the LORD.**'

Now then, you read the first part of it here, and it talks about the time of the defilement of doom! When you read the book of Ezekiel, you're going to find that's a pretty heavy, heavy book of all the difficulties that are going to come. ***But no one can defy God!*** We cannot continue with:

- all of these abortions
- all of these crimes
- all of these sins

Especially coming from the pulpit! Think about

- all of the evangelicals
- all of the Catholics
- all of the Jews
 - Do they have this information in their hand? *Yes, they do!*
 - Do they really understand it? *No, they don't!*
 - Why don't they?

Ezekiel 22:24: "Son of man, say to her, 'the day of indignation.' There is a conspiracy of her prophets in her midst..." (vs 24-25).

A conspiracy is **a secretly devised plan to come against the Word of God, to make the Word of God of no value!**

Why Are So Many Things Coming Upon Us?

The Jews have done a masterful job of creating traditions to replace it. Likewise, the Catholics and the Protestants fall in line.

“...like a roaring lion tearing the prey. They have devoured souls; they have taken the treasure and precious things...” (v 25).

I was watching Daystar here a little while ago, and there was this minister on there giving a sermon on ‘debt-free.’ So, I said, ‘I’ll watch this.’ Now, they all start out and they read a few Scriptures, true. But:

- How do you get debt-free?
- What is the favorite place that all of the Protestants and evangelicals go to in the Old Testament so that they can make money?

Malachi 3! So, he went there, and ‘*the way you get debt free is to send the money to me.*’ How did Kenneth Copeland get to be worth \$740 million? *Here’s what they have done:*

Verse 26: “**Her priests have done violence to My Law and have profaned My Holy things...**” *By a knowledgeable plan called a conspiracy!*

“...They have put no difference between the Holy and the profane, and have not taught the difference between the unclean and the clean, and **they have hidden their eyes from My Sabbaths, and I am profaned among them**” (v 26).

What did we have over the Christmas season? All of these wonderful hymns, all of these wonderful preachers. They all have Bibles, right?

Now, they hide their eyes, *first*. ***Then God blinds them even more!*** But the religious leaders are culpable, more than the people who listen to them, though they’re culpable for what they do.

Verse 27: “Her rulers in her midst *are* like wolves tearing the prey...”

Right now, Donald Trump wants to get rid of all of the things that they have taken: trillions and trillions and trillions of dollars. So, what do we have? *Priests, religious leaders, then rulers:*

- presidents
- governors
- senators
- representatives
- etc.

“...**are like wolves tearing the prey...**” (v 27).

How did Nancy Pelosi and her husband get worth nearly \$70 million net worth?

“...**to shed blood...**” (v 27).

- Is not abortion shedding blood?
- Do we not have murder because of that?
- *Yes!*

“...**and to destroy souls, to get unjust gain.** And her prophets have covered themselves *with* whitewash, seeing false visions and divining lies unto them, **saying, ‘Thus says the Lord GOD,’ when the LORD has not spoken**” (vs 27-28).

- Is now what we have today?
- What has God raised up for against us?

Just like this picture. *Wake up America! Unrestricted Warfare!*

- Is anyone going to hold back the hand of God raising up these people to do what He intends them to do?
- Can you kill enough of them?
- Can you steal their treasures so they have nothing to work with?
- How long will that last?

Because it all gets down to what is in the mind and heart in every person—*period!* That’s what it is. Not just in America, but around the world.

Jesus said at the time at the end ***they’re going to be the worst times since the creation of the world!*** Think about that.

Verse 29: “The people of the land... [*priests, rulers, people*] ...have used oppression and committed robbery, and they have troubled the poor and needy. Yea, *they* have oppressed the stranger wrongfully. And I sought for a man among them who should build up a wall for the land, and stand in the breach before Me, so that I should not destroy it. But I did not find one” (vs 29-30).

Well, maybe in the person of Donald Trump, God found one man. So temporarily, we might have some good things.

Verse 31: ““Therefore, I have poured out My fury on them. I have burned them up with the fire of My wrath. I have recompensed their own way upon their heads,” says the Lord GOD.”

It’s not God doing it because He’s hateful. It is God must do it, ***because the religious leaders, the political leaders, and the people are turning their back on God!***

There’s a slight movement that God recognizes, but it will only be temporary at best.

Psalm 78:30: “They were not turned away from their lust...”

What is lust? That’s the tenth commandment, ***‘You shall not covet.’***

“...but while their food was still in their mouths, the wrath of God came upon them and killed the strongest of them, and struck down the chosen men of Israel. For all this **they still sinned and did not believe in His wonderful works**” (vs 30-32).

They all want to think they can do it, how great they are, how powerful that they are. *That’s the epitome of all of the sports that we have!*

Verse 33: “**Therefore, He ended their days in vanity and their years in terror.** When He slew them...” (vs 33-34).

That always happens! Whenever there’s a great catastrophe that happens, we all get religious here in America, and we all say ‘we need to come to God.’

When 9/11 happened, the churches and synagogues were flooded with people. In a month, it went back to normal. They want God to keep them out of trouble, but they don’t want to obey God to stay out of trouble.

“...then they sought Him; and they turned back and sought after God earnestly. And they remembered that God was their Rock, and the Most High God was their Redeemer. **Nevertheless, they flattered Him with their mouths, and they lied to Him with their tongues, for their heart was not steadfast with Him; neither were they faithful in His Covenant**” (vs 34-37).

Notice, we’re going to have a little bit of this now.

- What are we going to do?
- What is the nation going to do?
- What are the religious leaders going to do?
- What are the politicians going to do?
- What are the people going to do?

God is looking at the whole picture.

- What are the Churches of God going to do?
Consider that!

Verse 38: “But He, *being* full of compassion, forgave their iniquity and did not destroy them; yea, many times He turned His anger away and did not stir up all His wrath, for He remembered that they were but flesh, a wind that passes away and does not come again” (vs 38-39).

Isn’t that true? *Yes!* Now let’s look at it another way. Let’s come to Isa. 40, which is a tremendous chapter. It has many, many different things, immediate and prophetic, and the different prophecies mixed together.

Isaiah 40:1: “‘Comfort ye, comfort ye, My people,’ says your God. ‘Speak comfortably to

Jerusalem, and cry unto her that **her warfare is accomplished**...” (vs 1-2).

Hasn’t yet happened. It’s going to get really bad. There’s going to be a time of peace. They’re going to build the temple, and they’re going to think everything is really hunky-dory. When it comes the time—BAM!—that’s going to come to an end, ***because the temple is the idol of the Jews!***

Verse 2: “‘Speak comfortably to Jerusalem, and cry unto her that her warfare is accomplished, that her iniquity is pardoned; for she has received of the LORD’S hand double for all her sins.’ A voice is calling out in the wilderness, ‘Prepare the way of the LORD, make straight in the desert a highway for our God’” (vs 2-3). *That’s John the Baptist about Christ’s first coming.*

Now, let’s look at the sum of all of what God says here.

Verse 6: “A voice says, ‘Cry!’ And he said, ‘What shall I cry?’ ‘All flesh is grass...’”

Think about that for a minute! What do we have to eat? That which grows out of the ground! Wheat, barley and spelt and all of those things! That’s grass! Then we have cattle, sheep and goats; what do they eat? Grass! So we eat their flesh!

“‘...**All flesh is grass**, and all the beauty of it is as the flower of the field. The grass withers, the flower fades because the breath of the LORD blows upon it; surely the people are grass. The grass withers, the flower fades; **but the Word of our God shall stand forever**” (vs 6-8). *That’s what we need to understand!*

Verse 12: “Who has measured the waters in the hollow of his hand...?”

Now that’s quite a statement! I saw a documentary on television where they have this submarine that can go down 27,000 feet deep. That’s as high as Mount Everest is going up. Guess what’s down there? *Life!* They can’t figure that out!

“...and meted out the heavens with a span? And who has comprehended the dust of the earth in a measure, and weighed the mountains in scales, and the hills in a balance? Who has directed the Spirit of the LORD, and who was His counselor that he might instruct Him?” (vs 12-13).

That’s exactly what the religionists try and do, ***instruct God!*** But it never works.

Verse 17: “All nations before Him are as nothing; and they are counted by Him as less than nothing, and vanity.” *Like a drop in a bucket! You can’t compare God to anything that is made!*

Matt. 7—this is the very important thing here. Notice what it says and the importance of it

Why Are So Many Things Coming Upon Us?

concerning the false prophets. We won't get into more than just this. Here's what we were to do.

God's way is correct! Everything about God's Laws are Holy. They are spiritual, as Paul said. Meaning that they are living and acting just like the law of gravity all of the time. **For those whom He calls, here's what we are to do:**

Matthew 7:13: "Enter in through the narrow gate; for wide *is* the gate and broad *is* the way that leads to destruction, and many are those who enter through it; for narrow *is* the gate and difficult *is* the way that leads to life..." (vs 13-14).

That's why there are few called because few answer the call and fewer repent.

"...and few are those who find it. But beware of false prophets..." (vs 14-15).

Now we read about that already. We get a warning by Paul of false brethren. **But false brethren come because there are false prophets!**

Verse 15: "But beware of false prophets who come to you in sheep's clothing, for within *they* are ravening wolves."

Now they can appear fine and nice and mild and good. They have the Word of God. What happens when you have the Word of God in your hand, and when you preach out of the Word of God? What happens? *God holds the prophets more responsible because they have it!*

They can say, 'Oh well, I never read that before.' Well then, why do you have the Bible? Why do you stand there and say you're a preacher of God, **when you're not?**

Verse 16: "You shall know them by their fruits. They do not gather grapes from thorns, or figs from thistles, do they? In the same way, every good tree produces good fruit, but a corrupt tree produces evil fruit. A good tree cannot produce evil fruit, nor can a corrupt tree produce good fruit" (vs 16-18).

You can't take the way of man and the way of Satan and the way of God *and merge them together and come up with a good tree! Won't work!*

Verse 16: "You shall know them by their fruits...."

Verse 21—*here's for everyone*: "Not everyone who says to Me 'Lord, Lord' shall enter into the Kingdom of Heaven; **but the one who is doing the will of My Father, Who is in heaven.**" *Keep that in mind!*

- Are we doing the will of the Father?

- What did Jesus say that He did?
 - ✓ I do nothing on My own, but I do what the Father has commanded Me
 - ✓ I speak nothing of Myself, but what the Father told Me to speak

He was perfect and He was the Son of God!

- ✓ come to Me and you'll have Life

But you have to come His way!

Verse 22: "Many will say to Me in that day, 'Lord, Lord, did we not prophesy through Your name?....'" *Preachers! God holds them accountable!*

"...And *did we not* cast out demons through Your name?...." (v 22).

Look at Benny Hinn takes his coat and waves it and people fall on the ground. **Pure demonism!**

"...And *did we not* cast out demons through Your name? And *did we not* perform many works of power through Your name?" (v 22).

Notice what Jesus says in v 23; we've read this how many times? He didn't say:

- you were well intended
- you were blinded because they were blinded

The first blinding comes from them! Then blinding comes from God, and blinding comes from Satan. **So, it's a whole package of blinding!**

Verse 23: "**And then I will confess to them, 'I never knew you....'**" *But Lord:*

- we prayed in Your name
- we gave sermons in Your name
- we saved thousands
- we had altar calls

Jesus will say He wasn't there! "...**Depart from Me, you who work lawlessness**" (v 23).

Verse 24: "Therefore, **everyone who hears these words of Mine** and practices them, I will compare him to a wise man, who built his house upon the Rock"—*that's true spiritual strength coming from God!*

- Have you read all four Gospels?
- Have you noticed what Jesus has said?
- Do you believe what He has said?
- Do you believe that He says **He's Lord of the Sabbath?**
 - Do you believe that Jesus kept the Law for you? *That's a lie!*
 - Do you believe that Jesus keeps the Sabbath for you? *That's a lie!*

So, it comes down to:

Why do we have all these problems and difficulties and things that come around? ***Because we treat God as something that we can manipulate and scheme and do good!***

Verse 25: “And the rain came down, and the floods came, and the winds blew, and beat upon that house; but it did not fall, for it was founded upon the Rock.”

That shows we're going to have troubles and difficulties and trials in everything that we do!

Verse 26: “And everyone who hears these words of Mine and does not practice them shall be compared to a foolish man...”

- Are we wise or are we foolish?
- What is it, not only for those of us in the Church, but all those out in the world, all of those out there?
- What is it that you're going to do?

There will be some who will hear this for the first time and they will be astonished. You should be! ***IF*** you listen to all of the pseudo-Christian preachers ***you're being misled!***

“...a foolish man, who built his house upon the sand” (v 26).

We see this all the time. We saw this recently with the hurricanes! What happened? Great amounts of rain came and it just destroyed everything. Houses were moved. Everything was upheaved!

Think about what happened when the Flood of Noah came and covered the highest mountains by 15 cubits. God destroyed everything ***because of sin!***

Verse 28: “Now, it came to pass *that* when Jesus had finished these words, the multitudes were amazed at His teaching; for He taught them as One Who had authority, and not as the scribes” (vs 28-29). ***Well, He was the Son of God.***

So, we could cover a lot of other things. But we're sitting right at the cusp. We may have a few things that are good for a while, ***but:***

- What are we going to do during that time?
- How are we going to live our lives?
- Are we going to change?
- Are we going to repent?
- Are we going to come to God?
- Are we going to love God?
- Are we going to serve God?
- What is it that we're going to do?

For those of you who have never gone deeply into the Bible, and you're hearing some of these things

for the first time, **what are you going to do?** Remember what Jesus said:

- ***IF*** you hear His words, you're going to be blessed and you're going to have understanding
- ***IF*** you don't hear His words, Old Testament or New Testament everyone's going to suffer the penalty of sin

That's why we have to come to God **in truth and love** and **to do the things that He says!**
